

**New Vacancy**  
**COMMERCIAL PROPERTY SOLICITOR (NQ+)**  
**Birmingham Office**

We have a fantastic new opportunity for a newly qualified and upwards Solicitor to join our thriving Commercial Property team in Birmingham.

**About the firm**

mfg is a successful, and growing, leading regional law firm with offices across the Midlands. We're dynamic and forward-thinking with a modern outlook yet traditional backbone, tracing our roots back to 1556. We are a full service firm; our disciplines span private client to corporate/commercial. With over 200 partners and staff, we are able to offer real breadth in our expertise and resourcing. **The team**

Our commercial property team comprises 21 fee earners who work across five offices. In Birmingham you will join a team of four who cover a broad portfolio of work which includes landlord and tenant (acting for either party) and both residential and commercial development. We have specialist expertise in advising on energy projects such as battery storage, the development of medical centres and roadside development schemes. This role will therefore suit someone who is seeking variety in their working day.

**The role and opportunity**

In this busy yet rewarding role, you will need to work with others in the team to deliver more complex projects as well as being responsible for managing your own mixed caseload of commercial property work. Whilst you may be a relatively junior fee earner, you'll have the backing of an experienced team who will support you as you explore the types of work you enjoy and will help you to grow in confidence as you develop your own client-base. We intend to grow the team in Birmingham, so business development will be a key part of your role. Alongside others in the team, you will need to spend time developing your own network of contacts and investing in your relationships with your clients.

**About you**

As well as being technically proficient with a good sense of judgment, you'll be a team player who is committed to delivering outstanding client service. With excellent interpersonal skills, you will have the ability to build effective relations and work well with others. You'll also be highly motivated and able to manage multiple deadline-driven tasks. On the marketing side, as well as being commercially aware, you will enjoy engaging with others to promote mfg.

**Why join us?**

We offer a rewarding career of quality work alongside a commitment to your ongoing development. It's a fantastic environment where people grow – some of our fee earners have qualified and made partnership in just over six years.

You'll get a competitive salary, 28 days' holiday per year to start (including three days at Christmas) and of course Bank Holidays, healthcare provision, pension and other perks. We also promote a healthy work/life balance.

Committed to inclusion, we aim to employ a diverse section of the community whilst our work for good causes continues to flourish.

There's a great vibe (and social scene!) at our brand new Birmingham city centre office, overlooking Victoria Square.
